CERCLA-50114

Dear Mr. Weil:

As you are aware, Respondents to the above-referenced Orders have implemented certain portions of the work required by Project Operations Plan ("POP") Revisions No. 8 and 9, including the installation and sampling of new wells at or near the SCP-Carlstadt site.

I am writing to request that Respondents immediately provide EPA with copies of any and all data generated during the implementation of POP Revisions 8 and 9, as required by Paragraph 28.C. of the above-referenced Order. This includes any analytical data received by Dames & Moore from their laboratory, regardless of whether the data has yet undergone quality assurance review, any any other field data generated by Dames & Moore. If Dames & Moore has not yet received the analytical data from their laboratory, please provide this data to EPA immediately upon Dames & Moore's receipt.

If you have any questions regarding this matter, please contact Janet Feldstein, of my staff at (212) 264-0613.

Sincerely yours,
